WHO MAKES THIS LIMITED WARRANTY

This limited warranty is extended only to you, the original purchaser, and not to anyone who may purchase your vehicle from you during the term of the warranty. This limited warranty is made by the Independent Repair Facility ("Dealer") who is so named on the original repair order, and whom performed the service/repairs on your vehicle. This warranty will be honored by any NAPA AutoCare Dealer participating in this program, or any other authorized repair facility anywhere in the United States. This warranty is not a warranty by National Automotive Parts Association (NAPA), its employees, jobbers, member companies, or the administrator, Sonsio Administrative Services, Inc., its affiliates, subsidiaries or any of their employees, or member companies. Sonsio Administrative Services, Inc. serves as the administrator only.

This warranty is conditioned on the vehicle being subjected only to normal use and receiving reasonable and necessary maintenance during the warranty period. **Warranty repair costs shall in no case exceed the costs of the original related repair or service.** If there is a defect in either materials or workmanship within the warranty period, the Independent Repair Facility shall have the option to either perform remedial service work at no charge to you, replace the defective warranted part(s) without charge to you, or refund to you the entire charge for the warranted repairs, minus any previous refunds or credits.

STATE OF CALIFORNIA ONLY: A buyer of covered products or services has the right to have warranty service performed during the warranty period. The warranty period will be extended for the number of whole days that the vehicle has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect, and the buyer notifies the warranty administrator of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return his vehicle for a replacement of parts, if applicable, or a refund, in either case, subject to deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under other laws.
